

3 Rivers Self-Installed DSL

3 Rivers Communications now offers self-installation of its high speed DSL Internet service in most situations. What does this mean to you?

\$49.95 activation fee is waived*

No appointment necessary—install at your convenience

Shorter timeframe from when you order DSL to when you're online

24/7 Tech Support

If your line qualifies for DSL and you are comfortable with downloading information from a mini-CD and plugging in a modem, you can install 3 Rivers DSL yourself. Upon ordering, 3 Rivers will mail you everything you need to get going:

Mini-CD with installation instructions

Modem

Phone jack filters

Tech support numbers and other information

Call a 3 Rivers customer service representative today to see if you qualify for DSL.

*If you attempt, but are unable, to self-install your DSL, 3 Rivers will send a technician to install it. You will be charged the \$49.95 activation fee.
